## DIRECTIONS TO THE SOUTHERN VIRGINIA HIGHER EDUCATION CENTER (HEC)

---

The Town of South Boston is located in south central Halifax County, within the Southside Virginia region, contiguous to the state of North Carolina. South Boston is sited at the junction of three U.S. primary highways: Routes 58, 360, and 501. These roads provide access to interstate highways and facilitate regional travel. US 58 links the Town with the nearby communities of Danville, Martinsville (61 miles), and South Hill. US 360 leads northeast from the Town to the state capital in Richmond, 111 miles away. US 501 connects South Boston with Lynchburg (59 miles) to the north and Durham, North Carolina (60 miles) to the South.

Depending on where you are starting from you should be connecting with one of the major highways mentioned above. Once you have made your connection, follow the applicable directions straight to the HEC.

Hope you have a safe and pleasant journey.

### FROM US 360

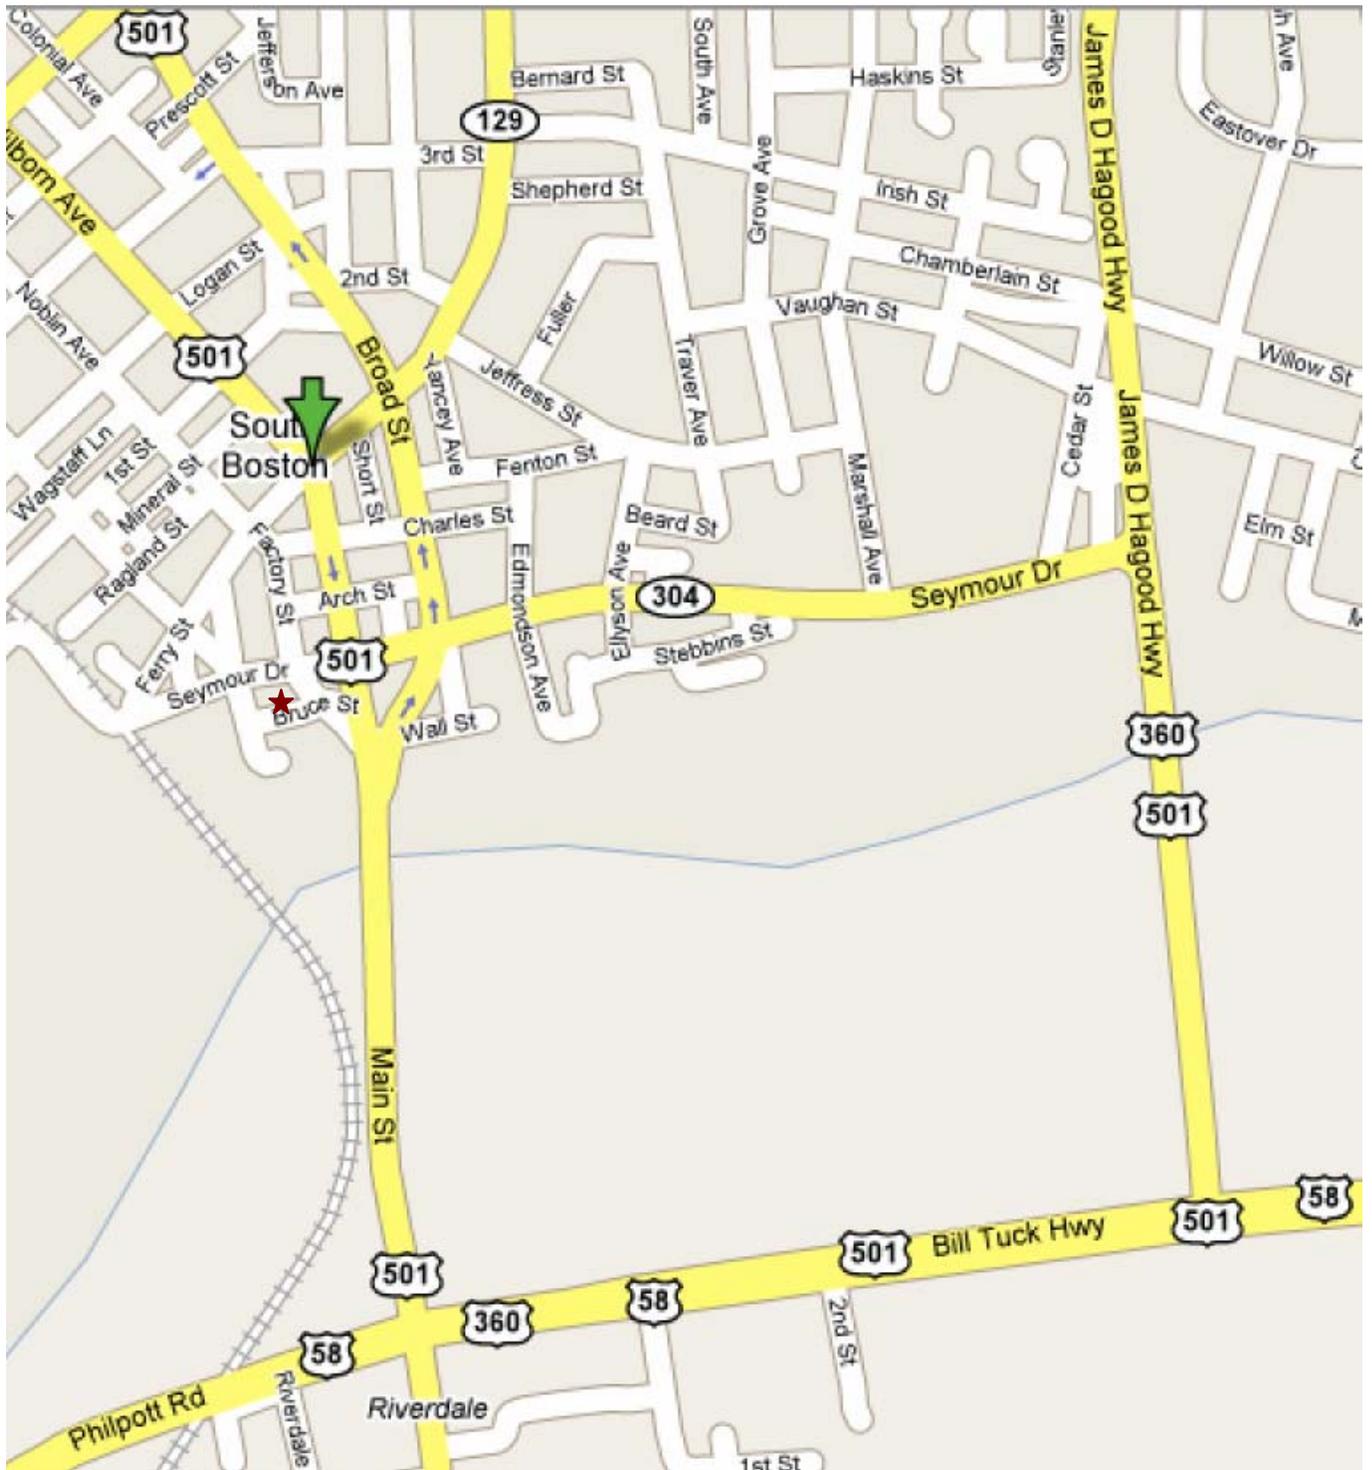

- Travel 360W into South Boston.
- Turn right onto Seymour Drive.
- Go through stoplights at Broad Street and Main Street.
- Turn left onto Factory Street then right onto Bruce Street into the HEC parking lot.

### FROM US 501

- Travel 501S into Halifax County and through the Town of Halifax.  
501S goes by several different street names North Main Street, Halifax Road, Wilborn Avenue. As you enter downtown South Boston 501S the name will be Main Street.
- In downtown South Boston turn right at the second set of traffic lights onto Seymour Drive.
- Turn left onto Factory Street then right onto Bruce Street into the HEC parking lot.

### FROM US 58

- Travel 58E or 58W into South Boston.
- Turn (right from 58E...left from 58W) onto US501N at the intersection where Hardees, Sheetz and Burger King are located.
- After approximately one (1) mile you should come to a stoplight at Seymour Drive turn left.
- Go through the stoplight on North Main and Turn left onto Factory Street then right onto Bruce Street into the HEC parking lot.

★ - The HEC (The Prizery is the building right next door to the Center.)
