

FY14 Research & Development

Applications received November 1, 2013

The R&D Committee will meet on January 6th to review the following new grant proposals, and determine which to send to vetting. There are no projects emerging from the vetting process at this time, and hence there are no final funding decisions scheduled for R&D in January.

Req #	Organization Name	Project Title	Request Amount
2825	Commonwealth Center for Advanced Manufacturing (CCAM)	CCAM Commercial	withdrawn by applicant
2826	City of Danville	Ellipsis-Development of cross-media solutions	\$2,000,000
